More detail about exchange fees rebates and volume tiers may be available on the 606 quarterly report published by the Consolidator.

BOX Exchange (XBOX):

GFI Securities LLC or ⁷GFI[®] accesses the US options exchanges on this report via Dash Financial Technologies or otherwise known as consolidator which route our orders to exchanges for execution on an agency basis. Consolidators charge a commission rate for certain products and services and will pass through net fees or rebates incurred to execute GFI orders on exchanges. The passed through rebates credits or billing adjustments from Consolidators reduce our overall costs of execution services and from time to time may exceed the cost of such execution services. When accessing the exchanges via Consolidator relationships, GFI may receive an indirect benefit by receiving preferential exchange rates belonging to the Consolidator and these rates are therefore reflected in our Net Payments for this report. Depending on its overall trading activity, the Consolidator may receive better volume-based rates including placement in preferential rate tiers on an exchange fees schedule. For clarity, GFI is not party to the payments between the Consolidator and the Option Exchanges and is only privy to transaction rates the evailable on the 606 quarterly report published by the Consolidator.
